In addition to current issues of adult education theory and practice, particular attention will be paid to issues of andragogic competences of university educators, andragogic counselling and support for professional development of teachers.

Within the above thematic areas, it is possible, through panel discussions, to present contributions that have already been sent to the Andragogical studies 2021 proceedings, which is currently in the press. Participation in conferences is free of charge. Applications for the conference must be completed and sent electronically by 15.10.2021 (link to the application <https://forms.gle/v1CGiR21ERQnXz5m7>).

Due to the current social situation, the conference will take place within the framework of the epidemiological measures in force for the district of Banská Bystrica.
